

NOTICE NO. TIU/N-4/2016/4
MARGINS OF SOLVENCY FOR TAKAFUL OPERATORS

1. INTRODUCTION

- 1.1 This Notice is issued pursuant to Section 90 of the Takaful Order, 2008 ("the Order") and is applicable to all registered Takaful operators.
- 1.2 This Notice shall take effect immediately.

2. DEFINITIONS

- 2.1 For the purpose of this Notice –

2.1.1 "Margins of solvency" means the requirement under section 21(1) of the Takaful Order, 2008 for every takaful operator to maintain: -

- a) a fund margin of solvency in respect of each of the takaful funds established by the takaful operator under this Order; and
- b) a margin of solvency in the amount determined by the Authority

3. DETERMINATION OF MARGINS OF SOLVENCY UNDER SECTION 21(1) OF TAKAFUL ORDER, 2008

- 3.2 For the purposes of section 21(1)(a), the fund margin solvency of a takaful fund to be maintained at all times during an accounting period shall be as follows:
- 3.2.1 in the case of a general takaful business, takaful funds should not be less than 20 per cent of the net contribution income of the fund in the last accounting period; and

- 3.2.2 in the case of a family takaful business, the takaful funds should not be less than 20 per cent of the net contribution income of the fund in the last accounting period.
- 3.3 Assets representing the surplus of assets over the liabilities of any takaful operator may be counted towards meeting the fund margin of solvency, provided that those assets –
- (a) are maintained in Brunei Darussalam, Singapore or Malaysia;
 - (b) are valued in accordance with International Financial Reporting Standards (IFRS);
 - (c) cannot be used for any purpose other than to meet the fund's liabilities.
- 3.4 Separate accounts shall be kept for the assets referred to paragraph 3.3 above and the Authority may direct that the whole or a specified proportion of those assets be held by an approved trustee.
- 3.5 Assets in the separate account may be withdrawn with the approval of the Authority if they are no longer needed to meet the fund solvency margin requirements, but only after a valuation of the assets and liabilities of the fund is carried out.
- 3.6 Takaful operators shall at all times maintain a margin of solvency of 20 per cent of assets over liabilities.
- 3.7 The assets representing the fund margins of solvency required in paragraph 3.2 may be taken into account in calculating the margins of solvency under paragraph 3.6.
